Ark Custom Homes

Founded in 2024 by industry veteran Quade Frampton, Ark Custom Homes brings over a decade of landscaping expertise to the heart of custom home building. With a deep-rooted passion for creating exceptional outdoor living spaces, we began with landscaping, quickly expanding to meet the growing demand for custom home additions. Our commitment to quality craftsmanship, coupled with our extensive experience, allows us to deliver unparalleled results for our clients.

Licensed and insured, Ark Custom Homes is built on a foundation of quality, customer service, and professionalism. We are dedicated to transforming your property into a stunning oasis that reflects your unique style and enhances your lifestyle.

Ark Custom Homes is dedicated to crafting exceptional outdoor living experiences through unparalleled custom home additions and expert landscaping services. Our mission is to exceed client expectations by delivering innovative designs, superior craftsmanship, and exceptional customer service. We strive to create spaces that are not only aesthetically pleasing but also functional and sustainable.

We aspire to redefine outdoor living by creating exceptional custom home additions and landscapes that inspire and enrich lives. Ark Custom Homes aims to be the industry leader, renowned for innovative designs and unparalleled craftsmanship.
